FORMAL EXAMINATION STATUS CHECK REQUEST

Sir:

Applicant has submitted a response dated 06/06/2007 in response to final Office Action dated 02/26/2007. Applicant would like to determine the examination status of the application.

A final Office Action has been issued.

A response to the final Office Action has been submitted to the USPTO electronically on June 7, 2007 with the appropriate petition for extension of time and the appropriate fees. A review of the IFW confirms that the submission has been safely received by the USPTO. The EFS ID is 1850329. The time stamp is 16:30:58. Applicant believes that the submission of June 7, 2007 is responsive and compliant.

Agent's Docket No. 2173-151

Applicant further reviewed USPTO records available electronically via public PAIR under the Transaction Record tab. The customary entries entitled "Response after Final Action", and "Date Forwarded to Examiner" were not present (at least not viewable via the public PAIR access) as of July 27, 2007.

As the issuance of an Advisory Action does not extend the due dates for responding to the Final Office Action, Applicant has attempted at least twice to contact the Examiner by telephone to enquire about the status. Applicant has also attempted to contact the Supervising Examiner by telephone. As of July 27, 2007 the examination status is unknown to the Applicant.

Applicant believes that a reasonable attempt has been made at advancing prosecution. Therefore Applicant respectfully requests the entry of this request on file. A certificate of transmission is included with this status check request.

Applicant respectfully requests an examination status check.

Respectfully submitted,
